## HANDBOOK

# About the FRM® Program

- ◆ The Financial Risk Manager (FRM®), set by The Global Association of Risk Professionals (GARP), is a globally recognized certification and a benchmark qualification for professionals in the field of risk management.
- ◆ The FRM helps in attaining specialized, practical knowledge in the area of risk (financial, operational and enterprise). The designation increases opportunities for professionals who manage risk, money or investments and distinguishes candidates as individuals who are able to master complex real world challenges.

## About GARP

- ◆ The Global Association of Risk Professionals (GARP), founded in 1996, is a globally recognized, non-profit, professional association for financial and energy risk certification and education. GARP has set the global standard through independence, expertise, and leadership.
- ◆ With more than 150,000 Members, each member has access to the best risk practitioners worldwide. GARP has managed to bridge the gap between academic research and real-world practice, by maintaining partnerships with top universities and business schools

## Benefits of FRM

- ◆ **Career Enhancement:** Candidates can accelerate their careers, no matter their professional or academic background.
- ◆ **Educational enhancement:** The FRM prepares candidates for a holistic understanding of risk management, necessary to succeed in the financial services industry.
- ◆ **Networking:** A lifelong platform to the world's most prominent risk management professionals, expanding opportunities within the world of finance.
- ◆ **Leadership skills:** Completing the rigorous requirements for the designation represents commitment to professional excellence, significant to the profession, positioning you as a leader in the risk management field.
- ◆ **Global Recognition:** With FRM candidates in over 100 countries, the designation's acknowledgement, career and professional development has increased greatly over the years.

## Our Trainer

**Sheela Ahuja, CFA, FRM**

*FRM® Program instructor*

Sheela, our lead trainer, has honed her financial analytical skills while working for organizations such as M.H. Al Shaya, Al Tayer Group, Majid Al Futtaim (Properties) and AIG. The unique complexities presented by each company, helped her develop a deeper understanding of financial practices exercised by different industries. She also has experience in the fields of accountancy, travel, retail, logistics and insurance to name a few.

With the passion for education and more than 6 years of experience of training students, in the CFA and the FRM examinations, Sheela aims to share her knowledge of the financial markets- with same passion and zest she possesses.
